

Head of Ikano Ventures (m/f) (iVentures)

Placement: Sweden, Denmark, Norway, Finland, Germany, Poland, or UK.

As our Head of Ikano iVentures, you will lead dialogues and secure Fintech collaborations in line with Ikano strategy, objectives and commercial imperatives. You will be part of Ikano Bank, where we create possibilities for a better living by providing banking and financial services. We do it with different perspectives, natural curiosity and long-term focus. A unique chance for greater responsibility and future opportunities. Let's achieve great things together.

In this role you will build and lead a small team to manage a portfolio of potential partners or targets and ensure appropriate mix of on-going evaluations of Fintech partners or targets across all Ikano countries. You will report to Francesca Terrell, Head of Product Management. You can be working from any Ikano Bank AB across Europe.

You will recommend initiatives and collaborations with Fintech partners/targets in partnership with colleagues in Ikano countries, IT and other key functions. Stakeholder engagement within Ikano and with relevant external entities (Fintech hubs, industry associations, etc) is also part of core responsibility.

You will on a regular basis report to Ikano Bank's management team and to Ikano bank's Board the status of Fintech portfolio and any collaborations for go/no-go decision. You will also be instrumental in developing Ikano Bank's engagement strategy and readiness towards the Fintech community.

We offer you

Operating in the exciting space of bank-Fintech collaboration, you will have an active role in various decision forums, represent us to external partners and create a great foundation for further development. This position is more than what meets the eye. You will get the chance to push boundaries and are expected to challenge the status quo. All as part of a caring and open culture where we live our values, work hard, have fun and operate with a long-term perspective. Because here opportunities arise and growth follows.

Are you the one for Ikano?

We are looking for a strategic leader with solid understanding of banking and especially the Fintech space. You have extensive, demonstrated experience with third parties and partnerships, and maintain a sizeable network within Fintech industry. The ideal candidate is commercially-orientated with big-picture view and possesses a high-level tech understanding in a business context. Great communication and facilitator skills are also a must in this position and English is the working language. Previous working experience in an international context is strongly preferred.

Join us now – together we will find a better way

Send your application before 2018-06-15. For more information, please contact Francesca Terrell, Head of Product Management, +46 735186638 or through e-mail francesca.terrell@ikano.se

About us

Ikano Bank offers simple and attractive savings and loan products for consumers, sales support services for retailers, and leasing and factoring solutions for corporate customers. Ikano Bank has a presence in Sweden, Denmark, Finland, Norway, the UK, Poland, Germany and Austria. Ikano Bank is part of Ikano Group, who is an international group of companies operating in the areas of banking, insurance, residential and retail. At Ikano, our vision is to create possibilities for better living. We do this by working together to create simple and meaningful solutions based on fair terms that bring value to our customers. Ikano Group was established in 1988 and is owned by the Kamprad family. Find out more about us on www.ikanogroup.com
